

Reed

48% cotton, 25% new wool, 20% linen, 7% polyamide
| 400 gr/m²

The elegant finely patterned fabric Reed is a blend of linen, wool and cotton. Designed by Hella Jongerius, the fabric features a woven structure with a hand-made, natural look that is augmented by the irregular, lively texture of the linen yarn. Reed is cool and soft to the touch and can be perfectly combined with other fabrics and materials.

Reed is available in 19 colours.
